

FOA Stop & Shop Fundraisers

When and Where:

FOA has been able to book 5 grocery store solicitation dates at **Stop & Shops** in Monroe, Shelton, and Trumbull. The Days we were able to book are:

- Saturday, March 6th, in Monroe
- Saturday, March 13th and Sunday, March 14th in Shelton
- Sunday, March 28th and Sunday, May 2nd in Trumbull

We are going to have four shifts throughout each day:

- Shift one: 8:00am- 10:00am
- Shift two: 10:00am -12:00pm
- Shift three: 12:00pm- 2:00pm
- Shift four: 2:00pm-4:00pm.

Participation and Credit:

For every shift we will need 4 youth participants and 2 adults to chaperone. Everyone going on ASP this summer (both youth and advisors) will earn money for their accounts. (FYI – the total money raised from all 5 dates will be added together and divided by the total number of hours worked for all 5 dates and then allocated to participants' accounts)

Every youth is guaranteed participation in one shift, but many will have the opportunity to participate in two shifts.

For chaperones first preference will be given to advisors going on the trip this summer, but we will also likely need help from parents; youth please let your parents know that we need parent volunteers too.

To sign up for a shift please contact Sean Jackson at sjac86@gmail.com with:

- your name
- if you are a youth or advisor/chaperone
- the day AND shift you would like to sign up for

While everyone is guaranteed a shift we may not be able to give you your first preference. We are going to make sure everyone including our college aged advisors participates so certain considerations and accommodations may be made for them.

The best way to try and ensure that you get the day and shift you wish is to sign up ASAP. If you have any other questions feel free to contact Sean Jackson at sjac86@gmail.com.
