Friends of Appalachia, Inc. (FOA) is a 501c3 non-profit community organization which strives to educate and sensitize youth and adult volunteers to address the needs of the impoverished people living in Central Appalachia (parts of Tennessee, Kentucky, West Virginia, North Carolina, and Virginia). We help to foster human development by addressing the housing needs in Central Appalachia. Volunteers of all ages give their time, resources, and skills to improve the living conditions of people in economic distress. All projects are done at no charge to the recipients. This is our largest effort and this year we will help to make Appalachian homes “warmer, safer, and drier” for impoverished Appalachian families during our summer trip to Kentucky.

Our Taste of Spring fundraiser is being held on March 30th, 2024 at Tashua Knolls Golf Club/Banquets. Please find the flyer at <http://www.friendsofappalachia.org/taste-of-spring-auction.html>. We would love to see you there! We are also hoping you will consider making a donation for our annual fundraiser Taste of Spring 2024. This can be in the form of a Gift Certificate or Merchandise which you can email or mail or we can even pick it up!

Another way to help is to become a Taste of Spring Event Sponsor. Please contact Katie Boland, our Taste of Spring Coordinator, to become an official event sponsor. You can email Katie at kboland@trumbullps.net.

Sponsorship Levels:

- **GOLD SPONSOR - \$1000 - Your logo/company name will be displayed on our website, social media, promotional items, table centerpieces, etc.**
- **SILVER SPONSOR - \$500 - Your logo/company name will be displayed on our website, social media and at the event.**
- **BRONZE SPONSOR - \$250 - Your logo/company name will be displayed on our website and social media and on one of our table centerpieces at the event.**

Your donation will help boost the profits of our fundraiser thus helping participants obtain their financial goal so they can come on the trip. FOA meets once monthly to prepare and train high schoolers and adults basic building skills in order to go to Central Appalachia and help rebuild the homes of the poverty stricken. This will be our 12th trip, but some of the participants have gone as many as 15 years. We can't do this without the support from the community!

Thank you so much for your time and consideration. Friends of Appalachia, Inc. www.friendsofappalachia.org
